

Year One
Homework for two days

Here are some ideas on what you can do if we have snow days or any other day we may be closed.

Phonics

Learning could be revisiting all the sounds and sight words we have learnt. You could go Outside and see if there are any, objects or things to write about. Then write a list of words that contain this sound. Can you extend this by using the words in a sentence?

There are lots of free websites with phonics games etc. on them:

<http://www.phonicsplay.co.uk/freelIndex.htm>

<http://jollylearning.co.uk/overview-about-jolly-phonics/>

<http://www.twinkl.co.uk/>

Writing

You could go on walk and use your senses to describe what you can see, smell and hear. You could make a list poem where you list all you see hear and smell.

You could write a diary entry about your day.

Maths

Learning at home could involve adding and subtracting using objects or number lines.

You can practise number bonds.

Use beads to make a repeated pattern.

You could go on a shape walk and identify either 2d or 3d shapes in the outdoor environment.

Useful websites:

<http://www.twinkl.co.uk/>

<http://www.topmarks.co.uk/>

<http://nrich.maths.org/early-years>

Other activities could be to make a picture of what you see using, colours, paper, card, sequence etc.
