

3rd September 2015

Dear Parents/Carers

I hope that you have all had a wonderful holiday with your families and you are ready for another year at Worlebury St Paul's School.

I just wanted to say thank you for all the wonderful cards, gifts and kind words. I was overwhelmed by your generosity and thoughtfulness.

I have many fond memories of my time at such an amazing school community and I will miss you all. As you are all aware I have felt it to be an honour and privilege to be Headteacher of Worlebury St Paul's School and it is something I will always treasure.

I know that you will all welcome Mrs Bamford as she begins her exciting role and I wish the school every success for the future.

I truly appreciated how you made my time so special.

With love and best wishes

Gillian Quick
