Dear Parents/Carers

Our learning theme this term is 'How does your garden grow? As part of our learning theme we thought it would be a fun idea to hold a miniature garden show.

Children are being asked to design and create a miniature garden that they can bring into school on the 27th May. This will form part of our end of learning theme celebration in the form of a 'Garden Show'. The children will share their miniature gardens and sing you a song.

You can base this on your own garden or an imaginary garden. Things that could be included are:

- Grass
- Swings
- Fountains
- Pond
- Trees
- Vegetable Patch
- Wildlife

It is up to you what materials you want to use. It should be no bigger than a shoe box.

We will look forward to seeing your creative green fingered ideas. There will be prizes for the most creative gardens.

Have fun and be creative!

Mrs Thorn and Miss Williams
