Dear Parents/Carers

As part of our music curriculum your child will be learning to play the recorder. This will also involve reading and using musical notation. Every child in Year Three has been issued with a numbered recorder which is theirs to play until the end of their session of lessons.

If your child wishes to take their recorder home to practise then please fill out the attached slip. Please read the points below before signing the form, and then return it to the school office as soon as possible.

- The instrument remains the property of Worlebury St. Paul's Church of England Voluntary Aided Primary School.
- The child using the instrument and their family/carers must look after the instrument and ensure that it is well maintained and not damaged.
- Any loss or damage, even if accidental, is the responsibility of the child's family/carers.
- The child's family/carer is responsible for the cost of replacement or repair that is necessary (up to £5.00 per recorder).
- The instrument must be returned to the school when requested.

I am sure that you'll agree that this is an exciting opportunity for Year Three who will all make amazing musicians!

Yours faithfully

Katie Hewitt
