Dear Parents/Carers

**Year Five and Six Relationships and Sex Education**

In Term Six, Year Five and Year Six will be learning about a 'Changing Me'. We will be teaching the same content as previous years, as reflected by the School's Policy, but after much research we have decided to use different, more up to date resources, which are part of our whole school PSHE curriculum.

**In Year Five the children will be learning to:**

- Explain and describe how a girl's and boy's body changes during puberty.
- Understand the importance of looking after themselves physically and emotionally.

**In Year Six the children will be learning to:**

- Understand that sexual intercourse can lead to conception and that is how babies are usually made.
- Identify what they are looking forward to about becoming a teenager.
- Understand that growing up brings responsibility.

You are invited to view the materials being used and discuss any concerns on **Wednesday 15<sup>th</sup> June from 3.15pm – 4.00pm.**

Our RSE policy can be seen on our website. Please sign the reply slip to acknowledge receipt of this letter and indicate whether you will be viewing the materials and return it to school as soon as possible.

Yours sincerely

*Annarella Knight*
