As a school we have been working hard on embracing a 'Learning without Limits' approach to teaching and learning and developing our children's growth mind-set and learning dispositions (resilience, motivation, perseverance, collaboration and resourcefulness). These have featured as themes for Worlebury Conferences and coffee mornings over the last year, particularly. We would welcome any feedback that you have about what you have seen or heard from your children or within our school community and any thoughts you may have around these.

Please include which year your child/ren are in:
