22nd September 2016

Dear Parents and Carers

It is lovely to see all the Reception children settling into full time school so well this week. They are enjoying mixing with the rest of the school at lunchtime and have been to Worship too. Everyone is welcome to attend Family Worship in the hall on Thursdays from 9am.

As part of our Learning Theme please could your child bring in a named small box or bag containing items which are special to them. We will be sharing these on Monday and will bring them home at the end of the day. Also if you have a picture of your child and their pet please could you bring it in so we can use it on 'Our Pets' display in the classroom.

We would like to encourage our children to become even more independent and so we are changing our morning routines in Reception. We are implementing these changes as we are trying to make the morning calm so the children are settled and ready for their day.

The children will no longer need to self register inside on the interactive whiteboard; they will place their photo in to a tray to indicate whether they are having sandwiches or hot dinners. This will be placed outside on a table along with their book bag trays and communication basket. The children will no longer come in and choose an activity as an adult will be reading a story.

You are still welcome to come into the classroom with your child however we will ensure your child's water bottle is refilled daily so there is no need for you to do this. I will be available by the patio if you need to speak to me about anything.

If you have any queries or anything you would like to discuss please come and see me.

Kind regards

Michelle Caines
