## Key Stage Two SATs week

Our Year Six children will be taking their end of year statutory assessments this week. We are already so proud of what fantastic young people they are. I know they'll approach these next few days with grit, determination and resilience. Good luck!

## Gates at the End of the Day

We will be opening the gates at 2.55pm promptly and no earlier. This is to ensure that children get full use of curriculum time on the playground before parents and families come to collect. I am sure you'll appreciate us using the time well and keeping our children safe.

## Parking

We are extremely concerned about safe parking in the local residential area at school pick up and drop off times. There have been reports of dangerous parking. Please consider when you park: Are you blocking residents' access to their property (even if only a short time)? Would an emergency vehicle be able to get through? Are children able to safely cross roads and be seen by other road users? I appreciate that parking is limited but I urge you to think safety first.

## Race Night

Friday 15th May  
7.30pm-11.00pm in the school hall. Please join Friends for a Night at the Races on Friday. Booking forms for tickets priced at £2.50 are available from the office. There are still tickets left. Please see the office or a Friends representative. There will be a bar and barbeque.

## Pentecost Service

Please join us on Thursday 21st May at 9.00am. This service will be led by Rev Geoff and our children.

## Bottle Tops

Please continue to save plastic bottle tops. This is for an exciting outdoor learning project for later in Term Six. Thank you for the bottles, however, we are pausing this collection! Please take your donations to Mrs Thorn in Year Two.

## Diary Dates
