Head Lice

Please can everyone check their child's hair for head lice. Lice like boy's and girl's hair, long or short hair, clean or dirty hair! It is important to check regularly even if your child doesn't have them and treat if necessary to break the life cycle.

Christmas Fayre

Please support Friends with the organisation of our Christmas Fayre on Friday 12th December. I am sure that this will be a lovely event for our school community.

Playground equipment

The weather is holding up the completion of our playground equipment as they are unable to finish the safety flooring whilst it is wet. We are hoping it will be finished soon so that all our children are able to enjoy it during breaktime and lunchtime. Until it is complete the back gate by the bike sheds towards the lane and Greenacre will remain closed. We are hoping the Mayor will be able to come and officially open it when it is complete.

Risk Assessments

If your child has had an accident or injury a risk assessment needs to be carried out before they return to school. Please come to the school office.

School gates

For security reasons we have decided to close the main school and pedestrian gates once all the children are in school.

Please close the pedestrian gate if you leave at a different time in the school day. Many thanks for your cooperation.

Remembrance Week We will remember them

It was a poignant time as our children spent the week learning about Remembrance.

Thanks to Mrs Manning for leading this theme and all staff for their hard work.
