Risk assessment for broken bones

Unfortunately children
occasionally have accidents
at home or school.

We need to ensure that
your child is safe in school
with broken bones or any
other injury. This involves
assessing the injury and
putting in the necessary
steps to avoid further injury.

Therefore if your child is
returning to school with an
injury **PLEASE** phone or
email the office with the
exact details so that we can
write the risk assessment for
you to agree and sign
BEFORE your child returns
to the classroom.

Reception Outside Area

Please do not let your
children play in the Reception
outside area before or after
school as it will have been
set up ready for learning for
our Year R children.

Nut Free School

We have children in school
with severe nut allergies so
please do not send in nuts or
nut products in lunch boxes
or for snacks. Many thanks
for your cooperation.
