Welcome Back

Happy New Year to you all! I hope that you have all had a wonderfully relaxing break with your families and my hope is that 2016 will bring everybody happiness!

Children's University Assembly and Information for Parents 8th January 2016 9.00am

The Children's University is an international charity that provides 7 to 14 year olds (and 5 to 6 year olds with their families) with access to exciting and innovative Children's University learning activities and experiences outside of the normal school day. They celebrate achievement and reward participation through the award of Children's University certificates. A representative will be leading an assembly with the children on Friday and will be able to discuss it further with parents directly afterwards. Please come along if you would like any information about this (more information will follow next week).

School Admissions 2017/2018 Consultation

See the school website for our proposed arrangements.

Thank you very much for all the responses to the questionnaire. We have had 26 responses to the Parent View questionnaire and also had 29 responses to the previous homework questionnaire. Information regarding these will be sent out next week. In the meantime, if you haven't had the opportunity to complete a questionnaire, you can log onto the OFSTED Parent View website (alternatively, we can provide a paper copy in the office).

Term Three Themes

Our Christian Value for Term Three is Hope and our PSHE SEAL theme is Going for Goals.
