Worlebury Conference

Please find attached feedback regarding the Worlebury Conference. You are invited to a tea and coffee morning on Thursday 31st March in Year 2 to share what was discussed at the evening.

Fire Assembly point

Before School Fire Evacuation

This will take place on Wednesday 9th March at 8.40am. This will be before registers are taken and children are still arriving at school. If you have arrived at school and are in the building please leave by the nearest fire exit into the playground. Your child will need to be left in the care of their class teacher in their usual assembly line-up point. You will need to make your way to the green fire assembly points located by the bike shed, or near the approach to the exit at Monks Hill (look for the green assembly point signs like the one above on the fence.) If you have not entered the building and are approaching through the main gates please go to the assembly point by the white wall. You will be advised when it is safe to enter the building to drop your child off. This will be a challenging evacuation to manage, however please support us in ensuring the safety of your children.

As this is the first time we have had an evacuation at this time we are advising you of the procedures to follow.

We will be carrying out another unannounced test at this time in the future so please familiarise yourself with the arrangements.

After School Care Provision

Some parents recently asked if the school would be considering providing after school care provision, similar to those run by Castle Kids / Ready, Steady Go.

In order to assess whether this is something that our parents/carers would find useful, I would ask you to complete the following questionnaire:

1. What time would you like the provision to finish?

2. How often would you use the provision?

3. How much would you expect to pay for this provision?

Please email / return to the office.
