Children's University

Thank you to all the parents who were able to come along to the Children's University presentation on Friday. An electronic leaflet has been sent out to all parents for those who could not attend. If you would like the school to order a 'passport' for your child, please let Mrs Bamford or the office know. An information leaflet for your child's outside of school clubs has been sent out so that they can become accredited, if they wish.

Responses to recent Surveys

The responses to the recent surveys have been sent out to you today. We value all your and the children's feedback and have already begun thinking about a way forward for some of the responses. More information will follow over the next few weeks as we consider the responses further.

New Assessment System

Due to DfE changes to how we assess children and in response to your feedback on the recent surveys, we will be holding an informal 'drop in' session on **Thursday 21st January at 2.30pm and again at 6pm**. Please let us know if you would like to come. An information booklet has been sent out to explain the changes.
