Successful Coffee Morning!

Thank you to all who were able to join me for a quick coffee and some cake on Friday! My apologies to those I didn't get a chance to speak to personally!

Governor Vacancies

The role of the school governor is demanding but **very rewarding** and is a good way to give back to your local community. School governing bodies are responsible for working with the school to ensure that it delivers a good quality education. We currently have vacancies on the governing body. If you are interested in finding out more please feel free to come and have a chat with myself or one of our existing governors.

Pencil cases and 'own stationery'

At primary school level, we provide the children with all the necessary stationery that they will need whilst at school. Can I please ask that children do not bring their own pencil cases or stationery into school.

Safeguarding Policies and Procedures

Safeguarding your children is our number one priority! Please feel free to read our safeguarding policy which is on the school website. Also, visit the North Somerset Safeguarding Children's Board for further information about how schools work together to safeguard your children.

Nut Free School

We have children in school with severe nut allergies so please do not send in nuts or nut products in lunch boxes or for snacks. Many thanks for your cooperation.
