Fax: 01934 417153  
Headteacher: Michelle Bamford

Welcome back, I hope that you have all had a restful February Break. Our Christian Value this term is **Love** and our SEAL theme is 'Good to be Me'. The theme is about understanding our feelings as well as considering our strengths and weaknesses as learners. It aims to develop knowledge, understanding and skills in three key social and emotional aspects of learning: self-awareness, managing feelings and empathy.

Thank you to all of you who were able to come along and watch the children's Online Safety performances in our Online Safety Week. I am sure you will agree that the children did really well and tackled some very important issues around keeping safe online!

## School Car Park

Parents and carers must not use the school car park at any time. This is for the safety of the whole school community due to some near misses. Please communicate this to anybody who may not receive the newsletter but collects or drops off your children to school. If you are a blue badge holder please can you let the office know so we can update our list. Our caretaking team will be monitoring the car park daily. We appreciate your cooperation in ensuring the safety of everybody.

## Sponsored Sports Event

Mr Skone, as our P.E. Leader is setting up an inspirational fundraising Sporting Event for the children to take part in on the 14<sup>th</sup> March 2016 (in school time). Look out for more information to follow.

## We still have spaces available!

### Worlebury Conference – It's tomorrow!!!

Our very first Worlebury Conference is nearly here!

One thing that parents, teachers, the community and governors all have in common is the passion to enable our children to become the **best versions of themselves!**

Come along on the **24<sup>th</sup> February 6pm to 8pm** (unfortunately no children allowed) and **together** we will explore the ways in which we can ensure that our school's vision and practice embraces our passion. The evening will launch with an inspirational speaker, Dr Tom Robson, and will then be followed by practical activities where you can share your ideas.

### After-school clubs

All clubs will start back this week. Please remember Art is now on Tuesday and Key Stage One Gymnastics is on Thursday. Also Dance Club for Years Five and Six will be on Friday this week until 4.15pm.

### Book Week

This is taking place all week next week and remember it's World Book Day on Thursday. We're looking forward to everyone coming dressed as their favourite explorer or inventor.

### Lost Property

This will be on display in the conservatory until the end of the week.

### School Menu

The new school menu starts this week. All children should have brought home a copy before Half Term and it's on the school website.

### Bag2School

Please bring bags to school on the morning of 3rd March.

### Worlebury Tots

There will be no Tots this week so Tots will start back on Thursday 3<sup>rd</sup> March. Everyone is welcome from 10.00am-11.30am in the hall. Also if anyone has a shed they are looking to get rid of Tots are looking for one to replace their leaky one. Please let the office know if you have one!

### Online Safety Top Tips for Gaming

Engage with the gaming environment and begin to understand what makes it so attractive to young people as well as the types of activities that they enjoy!

Talk with your children about the types of game(s) they are playing. If you're not sure what they are, ask them to show you how they play and have a go yourself.

Some games may offer children the chance to chat with other players by voice and text. Ask them who they are playing with and find out if they are talking to other players. If chat is available, look at the type of language that is used by other players.

Look out for age ratings and familiarise yourself with the **PEGI** icons on games. The **PEGI** classification gives you a clear indication whether a game is suitable for your child
