Worlebury St. Paul's - a school community where everyone participates, excels and has a love of learning; where we respect ourselves, one another and live life to the full, helping others to do the same.

Something to discuss with your child...

Key Stage Two SATs

Our Year Six children will be sitting their SATs this week. I know that publicity and 'politics' around the SATs haven't been great this year. I would like to reassure all Year Six parents that their children are fully prepared for them and will do the best they can – which is all that we could ever ask of them. We wish them good luck and know they will approach the tests with confidence!

After School Fire Evacuation

Fire Assembly point

We will be having an after-school fire evacuation before the end of Term Five. This will be as children are being dismissed from their classrooms and children and parents/carers are leaving the premises. If you are approaching school and hear the fire alarm please do not enter the building. If your child is with you they will remain in your care and you must assemble at the nearest Fire Evacuation Assembly Point. These are located by the bike shed, or near the approach to the exit at Monks Hill (look for the green assembly point signs like the one above on the fence.) If you are near the main gates please go to the assembly point by the white wall. If your child is still with their teacher they will evacuate the classroom to their line-up point in the playground.

As this is the first time we have had an evacuation at this time we are advising you of the procedures to follow.

Summer is on its way!!!

Sun Cream

As the weather is getting hotter please ensure your child has a named water bottle and sun hat in school. We are not able to apply sunscreen so please use a once only application which will last them during the school day.

Ice-packs

Please use an ice pack in lunchboxes to help keep your child's lunch at an appropriate temperature.

Learning Dispositions

This week we are exploring **Perseverance**.

Sainsbury's Vouchers

Sainsbury's are no longer giving out Active Kids vouchers so please bring in all the ones you have so we can count them and order our equipment.

Adventure Playground and Play Equipment in the School

We have spent time educating the children on how to use the equipment in school safely and so children should apply these rules when they use the equipment before or after school. As with many things, our children will need frequent gentle reminders about safe use and so we would hope that both school and home can reinforce rules around appropriate and safe use of the equipment. Parents are reminded that the use of the adventure playground after school is done so at their own risk and that parent/carers are solely responsible for supervising the safe use of the areas at this time (this includes pre-school and secondary age children also).

Worlebury's Royal Birthday Celebrations

Friends PTA would be interested in hearing from anyone who has photos, pictures or just memories of Worlebury, Kewstoke and Milton between 1925 and 2000. The display that will be developed would be part of the Royal Picnic on Saturday 11th June.

If anyone is interested, please contact Alvin Jeffs at
ajeffs2007@fastmail.fm

More details on Friends PTA page of school website.

Save the Date!

Governors, Staff, Friends PTA, Worlebury Residents' Association and the Churches of St Peter's and St Paul's are working together to organise a Royal Birthday Picnic from 12pm until 5pm at our school on Saturday 11th June.
