Worlebury St. Paul's - a school community where everyone participates, excels and has a love of learning; where we respect ourselves, one another and live life to the full, helping others to do the same.

Something to discuss with your child...

"It does not matter how slowly you go, so long as you do not stop"
Confucius

Year 6 SATs

We all know SATs don't show how 'precious and unique' our learners truly are. However, I am so very proud of the year 6s for the positive way in which they tackled them. Well done!

Weston Arts Festival

Congratulations to our Key Stage Two Choir who came **first** in their category at Weston Arts Festival on Friday. They were awarded a distinction and received positive comments from the judges. Well done to all members and many thanks to Mrs Shippey for all her hard work.

The choir will be performing in Worship on Friday.

After School Fire Evacuation

We will be having an after-school fire evacuation before the end of Term Five. This will be as children are being dismissed from their classrooms and children and parents/carers are leaving the premises. If you are approaching school and hear the fire alarm please do not enter the building. If your child is with you they will remain in your care and you must assemble at the nearest Fire Evacuation Assembly Point. These are located by the bike shed, or near the approach to the exit at Monks Hill (look for the green assembly point signs like the one above on the fence.) If you are near the main gates please go to the assembly point by the white wall. If your child is still with their teacher they will evacuate the classroom to their line-up point in the playground.

As this is the first time we have had an evacuation at this time we are advising you of the procedures to follow.

Summer is on its way!!! Sun Cream

As the weather is getting hotter please ensure your child has a named water bottle and sun hat in school. We are not able to apply sunscreen so please use a once only application which will last them during the school day.

Learning Dispositions

This week we are exploring **Collaboration**.

Worlebury's Royal Birthday Celebrations

Friends PTA would be interested in hearing from anyone who has photos, pictures or just memories of Worlebury, Kewstoke and Milton between 1925 and 2000. The display that will be developed would be part of the Royal Picnic on Saturday 11th June.

If anyone is interested, please contact Alvin Jeffs at
ajeffs2007@fastmail.fm

More details on Friends PTA page of school website.

Tickets are now available for this from the office. Please return the form to the office and tickets will be returned via book bags.

After-school Provision

If you book your child into after school club on the day they are attending and it's before 12pm please contact Sport to Schools so they can be added to the register. If it's after 12pm please inform the school office and we will add them to the register and pass on to their staff.

Children should be picked up from the conservatory door (just ring the bell). If you don't get an answer it may be that they are outside and so enter the school through the main office.

Scooters and Bikes

It's great to see so many children cycling and scooting to school. For Health and Safety reasons please could children wheel their bikes or scooters on the school grounds. They should not be used in the playground or driveway.

Safety around the area

Please can everyone drive carefully around the school and the surrounding roads. This is for the safety of the whole community. Please do not park or pull up on the zig zags at the front of school or park on pavements.
