Learning Without Limits

If you were unable to come along to our Worlebury Conference or you would like to see more of what Learning without Limits looks like at Worlebury, come along to a **Coffee Afternoon on Thursday 20th October at 2.30pm in the hall.**

Parking

Please remember to allow enough time to park considerately and safely around our school. Please do not block driveways or park on the zig-zags at the front of school.

Promoting Independence

We would like to continue developing the children in Years Three to Year Six's independence, by allowing them the responsibility to enter their classrooms and sort out their belongings on their own in the morning. Of course, if you have any important messages that need to be shared, have a brief word with the class teacher or use the Home-School Communication Book and leave it in the communication basket.

Bag2School

We are having a Bag2School Collection on Tuesday 18th October. This is a way of recycling good quality second hand clothing whilst raising money for the school. Our last collection raised £100 for our Friends PTA. Look out for further details although if you're having a clear out please keep hold of the clothes as we'll send some bags home soon.

Parent Questionnaires

Please return your questionnaires to the school office. There are spare copies in the office.

Safeguarding

Safeguarding and promoting the welfare of children is everyone's responsibility. Anyone who comes into contact with children and their families and carers has a role to play in safeguarding children. As a school considering what is in the best interests of a child is always at the forefront of our thinking. The new [Keeping Children Safe in Education guidance](#) and the [guidance for adults working with children](#) has been updated. All our staff, volunteers and governors are required to ensure that their practice is guided by these statutory documents. Please understand if some of our policy and practice seems 'inflexible' but this is necessary to ensure the safety of the children and adults within school. We thank you for your ongoing support and cooperation.

Harvest Services

Key Stage One (Reception, Year One and Year Two) will have their Harvest Festival in school at 9.00am on Thursday 13th October. This will be for Key Stage One families only and we would like to ask for a maximum of two adults per child due to fire regulations. **Key Stage Two** children will go to St Paul's Church, Kewstoke for their Harvest Festival on Tuesday 11th October. We have booked coaches to transport the children and school will cover the cost. There will be a service led by Reverend Geoff with contributions from our children. We are sorry that we are not able to invite Parents and Carers to this service but St. Paul's simply isn't big enough! Please bring in donations of tinned, packet or dried food from Monday 10th October. This will be shared between Foodbank and Somewhere to Go, a charity supporting the homeless in Weston.

Junior parkrun

These are now happening in Weston at 9am every Sunday. They take place at Walford Avenue (behind the back of Priory School). The event wants to encourage all children (age 4-14 years) to come along and give it a go.

To register parents need to visit:

www.parkrun.org.uk.

Everything else you need to know about this event can be found at: www.parkrun.org.uk/westonsupermarejuniors

Any questions please email: Kira.thorpe@hotmail.com or call 01934 627014

Worlebury Golf Club Family Open Day

Please find attached a poster with information about an Open Day at Worlebury Golf Club on 9th October.

Jeans for Genes Day
Changing the world for children with genetic disorders

Thank you to everyone who supported this on Friday. We'll let you know how much money we raised as soon as we've counted it!
